

SILVER CHECK® HAIR CREAM

Silver Check® is the gradual way to color your hair and achieve natural looking color

"I have been using Silver Check since 1957 and my hair is a dark brown at 84 years and it was quite grey without the Silver Check at 50 years of age, so I would be absolutely snow white now without your wonderful Silver Check"

"We are very happy with this product. It has made my husband 10 years younger otherwise his hair would be white. Now it has turned back to its natural colour.

Now I am going to start using it as I am getting a few grey ones too."

*"Dear Sir,
The writer is 65 years of age and has had white hair for the past 25 years. Becoming increasingly aware of how young people react to it I decided to do something about it..."*

Three months ago I purchased a bottle and applied per instruction. Now one application per week is sufficient to stop my brown hair from showing too much silver..."

What an excellent product. So easy and economical too. Many thanks to you and your fabulous chemists..."

"I have recently introduced another customer through his wife to your product. He was a very worried man - grey all over - tried everything she told me so I told her about Silver Check."

"Saw her about a month later and she said "he is very relieved as he has about 1 inch of dark hair creeping slowly outwards."
